- We do have the ability to check statuses through 3<sup>rd</sup> party links, however we would only do this once all other options have been exhausted. It is the students responsibility to provide evidence
- During peak times we advise students not to send identity documents if they are due to travel in the next 6-8 weeks
- Students should print cover letter from their account or provide a letter with their CRN to help us link identity evidence to their account. Any evidence that can't be linked is held and may be returned to issuing authority
